Job Summary

We're looking for hardworking and reliable house cleaners. You will be responsible for cleaning high end residential homes in the Winnipeg area. Our house cleaners get to be part of one of the biggest green and non-toxic housekeeping services. As an entry level position we also provide part time and full time hours to suit our house cleaners schedules!

Why should you work with Scrubbi?

- Flex Schedule. Like having Monday's off? Need to pick up and/or drop off your kids? All our residential cleaners get to set their own part time or full time cleaning schedule!
- Never be bored. You'll meet some very nice clients. Every day will be different and you'll never be stuck in some boring or mindless job
- Make more money than most office jobs. Our top house cleaners receive up to \$23 per hour!
- Get paid bi-weekly for your work. Whether you are working with us part time or full time, there is no need to wait a month for your pay!

You'll also get friendly support staff to help you with: finding and getting directions to a home, customer service issues so you don't have to deal with it, and we handle payment.

All you really have to worry about is what music to listen to while you're cleaning the home.

What We're Looking For:

- Residential/Housekeeping experience is a definite asset but not necessary
- You must be reliable and have your own car to use
- Valid drivers license
- Excellent verbal communication skills
- Ability to pass a background check

This is an entry level position that allows our cleaners to choose positions for full-time, part-time, and weekdays.
